

WD Passport™ Portable USB Drives

USB Powered
Sync & Encrypt Software
Rugged Design

The **Portable Headquarters** for your **DIGITAL Life**

- **Add storage instantly** for all your business files, music, videos and games.
- **Back up** your existing notebook hard drive for extra data safety.
- **Easily share** between Macintosh® computers and PCs.
- **WD Sync™** software lets you securely take your data with you – edit files, read e-mail, view photos on any PC – then sync your changes to your home or office computer.

- Maximum protection from data-loss with a rugged protective case and shock-tolerant 2.5-inch hard drive.
- USB powered. No separate power supply needed.*
- Fast, ultra quiet, and cool running.
- Power-conserving design prolongs laptop battery life.

** An optional power adapter is available for the few computers that limit bus power.*
